Group Presentation

February 1, 2005

Each group will be presenting the finding of group discussion on February 1, Tuesday. You will have a maximum of 20 minutes for the presentation. The group is expected to incorporate the following items into presentation.

Background Information

1. Your position in project/collaboration
 - What types of contribution you group wishes to make/can make in this project/collaboration?
2. Stakeholders
 - Who are the major and important stakeholders in the project/collaboration?
(Focus on one or two groups)
3. Basic findings on “Distance Education/learning” (Mongolian case) or “Knowledge Kiosk” (Lao case)

Sustainability Issues

1. How do you define/explain “sustainability” in the context of this project/collaboration?

List of Questions

(Mongolian Case: When introducing distance learning media into training....)

(Lao Case: When developing “Knowledge Kiosk” in Luang Prabang...)

1. Present the list of specific questions your group would be asking
2. Who are the target groups of these questions?
3. What would you like to find out through these questions?
4. Explain the context of asking these questions (e.g. where? When? How?)
