FINAL PAPER

Due Date: February 10, 2005, 12:00pm

- Please follow the instruction to write a final paper.
- 1. Summary of the project
 - Summarize the background information of the case you analyzed as a group activity (half page)
 - Summarize the major stakeholders in the project/collaboration. Explain why they are important stakeholders (half page)
- 2. Discussion on “sustainability”
 - In your opinion, what are the necessary elements to explain “sustainability” in development projects/collaboration.
- 3. Development Model
 - Based on group discussion and readings in class, modify the development model you previously created and explain.
- Please type your paper
- Please use “double space” to write your paper
- Submit your paper by **Due Date (February 10, 2005, 12:00pm) via e-mail attachment file to TA**
