Factory Study Tour (No. 2);

Canon Electronics Inc.

<http://www.canon-elec.co.jp/english/index.html>

Aim ; A world leader in technology, Canon has reached the "fourth stage" of its development. This implies the responsibility to become a global corporation in the full meaning and to behave as an outstanding corporate citizen of the countries in which we operate. Canon Electronics Inc., a subsidiary of Canon Corporation, is commercializing major products such as image management system(IMS), laser beam printer(LBP), document management, handy terminals(HT), precision process equipments & tools, electronic interface(EI) and so on.
