| | 30 (Mon.) Lect#6 | 2 (Thu.) Ex#6 | | 30 (Mon.) Ex#6 | | |

2. Class rules

- + This course consists of lectures and exercise sessions. But exercise sessions are for those who need *any help* for conducting homework assignments given for each exercise.
- + Homework assignments are given at the end of each lecture and due is *before* the next lecture.
- + Your course achievement is evaluated based on the reports for (at least) 5 such homework assignments.
 ^ You may use Japanese!
- + You need to use python and Weka^{*1} for conducting the assignments. install guidance: in the ex. session

Ookayama June 11 (Mon.) Suzukakedai June 15 (Thu.) after Lect#1

*1 Weka is constructed and provided by the University of Waikato

- 2. Class rules (cont.)
 - + Ookayama: Monday Lecture and Thursday Ex. Suzukakedai: Thursday Lecture and Monday Ex.
 - + Ookayama: Japanese
 Suzukakedai: English
 But you may use Japanese and English in both
 classes for asking questions (and also for reports)
 - + TAs: Ashida (D3) and Qin (D2) for questions and/or comments
